MCDHH Announces New MICS Coordinator: Lisa Carel

Lisa is a licensed American Sign Language Interpreter in the State of Missouri, holding a certification level of BEI-Advanced. Lisa has extensive training in tactile interpreting and has been a freelance interpreter for Columbia Interpreting Services since 2015. Lisa is currently the owner of L.C. interpreting, LLC., and previously worked as a long-term substitute teacher at Missouri School for the Deaf and as a staff interpreter for the Jefferson City Public School District, her various experiences, education, and values, encompass a breadth of knowledge in an array of settings, situations, languages, code systems, communities, and cultures. Lisa is a graduate from William Woods University, where she earned her bachelor's degree in American Sign Language Interpretation and Translation; her upcoming goals are to 'hit the ground running' at MCDHH, to gain a master's degree in Linguistics, as well as receive in-depth training in ProTactile. When not working, you can catch Lisa volunteering her husband, on, to coach almost every sport their children are in, hollering at one of her three boys from the sidelines at cross-country meets, basketball games, and soccer tournaments, along with volunteering at her children's school and advocating for individuals living with Epilepsy. Other passions include: playing the piano, outdoor distance running, indoor cycling, and...of course, enjoying a freshly made Starbucks latte every single morning!

Upcoming Public Meeting:

MCDHH Commission
Meeting – June 9
Lohman's Landing Building
100 Jefferson St., JC MO
10:00 a.m. – 2:00 p.m.

University of Minnesota: Drive to Discover - The goal of this study is to assess the preparedness of audiologists to work with people with disabilities from the point of view of persons served, audiologists, and audiology education programs. This project is being conducted by myself, under the supervision of Dr. Evelyn Davies-Venn at the University of Minnesota Twin Cities.

This particular survey is intended to be taken by individuals with disabilities or their caregivers.

Participants who complete the survey will have the opportunity to be entered into a drawing for a \$50 Amazon e-gift card! The survey will only take **5-10 minutes to complete.**

To disseminate the survey, you can share the following link via a newsletter, email blast, social media post, or any other way that you see fit. I have attached a sample email you could use if you wish, but feel free to modify it to suit your organization and its audience.

Please feel free to contact me if you have any questions.

2022 TDI Scholarship Now in its fourth year, the TDI Communication Access Scholarship Program is accepting applications. This program is available to all deaf and hard-of-hearing students graduating from high school this year. The scholarship application encourages deaf and hard-of-hearing students to innovate and bring forth ideas for addressing the communication challenges that the deaf and hard-of-hearing community faces.

“We hope that through disbursing scholarship, more deaf and hard of hearing youth leaders are given a head start to making an impact on advocating for accessibility, equity, and inclusion in information and communications technology,” said Mei Kennedy, TDI Scholarship chairperson. “Last year, we awarded six outstanding individuals and hope to see a growing number of applicants.”

All deaf and hard of hearing graduating high school seniors can apply online at TDIforAccess.org/Scholarship before **May 13, 2022**. Applications can also be mailed and must be postmarked by the deadline. Applicants will be notified before September of the award. For full scholarship details on eligibility, requirements, and application, visit [TDI For Access - Scholarship](#)

2nd Annual Deaf in Healthcare Summit for Interpreters –

April 8-10, 2022. Organized on the theme, “Ascending in the New Normal,” this year’s virtual summit is designed to provide sign language interpreters with a professional platform to learn from and collaborate with Deaf, hard of hearing and DeafBlind stakeholders, medical interpreters and medical professionals to create a shared vision of consumer-centric interpreting experiences in healthcare settings where everyone benefits.

We are also partnering with the Association of Medical Professionals with Hearing Losses (AMPHL) to host a pre-conference that will provide interpreters with the skills, knowledge and resources to support Deaf and hard of hearing medical professionals in clinical settings. This pre-conference will be taking place April 7-8, 2022.

The summit agenda and additional pertinent information is listed at www.2axend.com/summit
